# WINE

*More choice by the glass*

Thanks to the latest preservation technology, many of our wines – still and sparkling – are available by the glass, tasting as fresh as if you'd just popped the cork yourself. Perfect if you're in the mood for a tippie, not a bottle. Just ask one of the team for more information.

## Our Menu Guide

We have highlighted some of our favourite wines, pulled out those from organic farmers, and those lower in ABV.

### ORGANIC

Wine made from grapes grown in accordance with principles of organic farming.

### MINDFUL CONSUMPTION

Lower sugar, calorie or alcohol wines.

All red, white and rosé wines available by the glass are also available as a 125ml serving. All spirits listed are available in 25ml or 50ml measures.

(VE) Suitable for vegans. If you require more information, please ask one of the team.

Our food and drinks are prepared in food areas where cross contamination may occur, and our menu descriptions do not include all ingredients. If you have any questions, allergies or intolerances, please let us know before ordering. [drinkaware.co.uk](http://drinkaware.co.uk)
